USER AGREEMENT FOR BULK DISTRIBUTION OF DATA OR COMPILED INFORMATION NOT EXCLUDED FROM PUBLIC ACCESS UNDER ADMINISTRATIVE RULE 9

The Indiana Supreme Court through its Division of State Court Administration ("Division") and Computer Systems, Inc ("CSI") ("Requesting Party") hereby enter into this User Agreement for Bulk Distribution of Data or Compiled Information ("Agreement") for the purpose of establishing roles and responsibilities associated with the dissemination and use of Indiana court information pursuant to the provisions of Administrative Rule 9 of the Indiana Rules of Court ("Rule 9").

Recitals

- A. Under Administrative Rule 9(F)(2), the Division is responsible for processing all requests for bulk distribution of Data or Compiled Information by Indiana Courts.
- B. The Division reviews each request for bulk distribution to insure that the request is consistent with the purposes of Rule 9 and that each request is an appropriate use of public resources.
- C. The Requesting Party seeks bulk distribution of Data or Compiled Information for its own use and understands that it must comply with the provisions of this Agreement.
- D. The Division requires that the Requesting Party understand and agree to comply with certain restrictions on usage of the Data and Compiled Information.
- E. The Requesting Party is not automatically entitled to the distribution of Data or Compiled Information of a court simply by the approval of this user agreement by the Division.
- F. The Requesting Party may be required to pay an amount which the Court determines is the fair market value of the information requested.
- G. The bulk distribution is limited to court records, even if the Requesting Party is seeking other information that is governed by other agencies' policies.

Agreement

1. **Definitions.** For the purpose of this Agreement, the following definitions shall apply:
 - A. "Administrative Record" means any document, information, data, or other item created, collected, received, or maintained by a Court, Court agency, or Clerk of Court pertaining to the administration of the judicial branch of government and not associated with any particular case or other agency.

- B. "Agreement" means this User Agreement for Bulk Distribution of Data or Compiled Information, as well as any attachments or exhibits that may be affixed to this document or referenced within the agreement.
- C. "Bulk Distribution" means the distribution of all, or a significant subset of Court Records not excluded from public access, in electronic form, as is, and without modification or compilation.
- D. "Case Record" means any document, information, data, or other item created, collected, received, or maintained by a Court, Court Agency or Clerk of Court in connection with a particular case, not otherwise governed by Rule 9(G) or (H).
- E. "Clerk of Court" means the Clerk of the Indiana Supreme Court, Court of Appeals and Tax Court, the Clerk of a Circuit, Superior, Probate or County Court, the Clerk of a City or Town Court, and the Clerk of a Marion County Small Claims Court, including staff.
- F. "Compiled Information" means information that is derived from the selection, aggregation or reformulation of all or a subset of all of the information from more than one individual Court Record in electronic form in response to the approved request for bulk distribution.
- G. "Court" means the Indiana Supreme Court, Court of Appeals, Tax Court, and all Circuit, Superior, Probate, County, City, Town, or Small Claims Courts as well as any division, section, office, unit, or other entity of the Court, as well as any of the officers, officials, employees, volunteers, contractors, or others acting as representatives lawfully representing the Court.
- H. "Court Records" means both Case Records and Administrative Records.
- I. "Data" means any computer or machine-readable copy of Court Records provided by a Court to the Requesting Party.
- J. "Subscriber" means a client or customer of Requesting Party to whom bulk Data or compiled information is provided or to whom access to bulk Data or Compiled Information is given.
- K. "Public Access" means the process whereby a person may inspect and copy the information in a Court Record, not excluded by Rule 9(G) or (H).
- L. "Requesting Party" includes the above-identified party and all entities and known names under which the business operates, all subsidiaries that will utilize the Data or Compiled Information provided and all names under which subsequent individual requests to courts shall be made.

2. Grant.

A. Court Records Not Maintained in the Odyssey data repository. Subject to specific permission from the Courts identified below, the Division hereby grants to the Requesting Party restricted authorization to receive from such Courts the Court Records specifically identified below for the Requesting Party's own use in accordance with the

terms and conditions contained herein. Execution of this Agreement and approval of the Requesting Party's request by the Division do not create any mandatory obligation on the part of any clerk or Court to provide Court Records to the requesting Party. Under Administrative Rule 9(F), the Courts identified below must determine on an individual basis whether resources are available to transfer the Court Records to the Requesting Party and whether fulfilling the request is an appropriate use of public resources. Courts must determine on an individual basis whether to assess a charge for providing the Court Records, and Courts may make the granting of the request contingent upon the Requesting Party paying an amount which the Court determines is the fair market value of the information.

(1) Court Records sought:

See Attachment A

(2) Requested Courts:

All county, city and town courts using CSI's case management system

B. Court Records Maintained in the Odyssey data repository. The Division grants the Requesting Party authorization to receive bulk distribution of Odyssey records upon execution of a separate User Agreement for the Use of Bulk Data from Indiana Odyssey Case Management System, Form TCM-AR9(F)-7, and payment for such records in accordance with Administrative Rule 9 and the Supreme Court Order dated September 13, 2011, Case No. 94S00-1109-MS-552.

3. Rights and Interests. It is the parties' intent that all rights, title and interests, including all intellectual property rights, in and to the Court Records, data, code, application or any other information provided to the Requesting Party shall remain with the Courts. The Requesting Party shall not gain any proprietary right to or interest in any Court Records, data, code, application or any other information provided to the Requesting Party under this Agreement, whether or not the Court's records, data, code, application or other information is incorporated in or integrated with in any way whatsoever with the Requesting Party's property, data, code, reports, application, program, system or any other sort of product. Those rights may not be transferred, assigned, or sold for any purpose to any person, corporation, partnership, association, or organization of any kind. The Requesting Party shall provide the Division with the names of all entities related in any way to the Requesting Party, including subsidiaries and affiliates, the names under which the Requesting Party is doing business and any other related entity names. The Requesting Party shall supplement this agreement within thirty (30) days of a change in the list of names provided to the Division as requested by this Section 3.

4. Ongoing Data Scrubbing and Update Requirements. The Requesting Party shall comply fully with Rule 9 and shall delete any Social Security Number, bank account number and any other confidential information that is inadvertently included in the Court Records and take other appropriate action to ensure that such confidential information is

not disclosed to others. Upon notice, the Requesting Party shall comply with future orders to scrub data if they should arise.

5. Restrictions on Use of Data.

A. Compliance With Authorities. The Requesting Party shall comply with all current and, as subsequently amended, federal and state laws, court rules, administrative rules and policies governing, regulating, and/or relating to Court Records.

B. Resale of Data. The Requesting Party shall not reproduce, resell or otherwise distribute the Court Records or Data provided pursuant to this Agreement except in response to an inquiry from an individual for a Court Record or compilations or reports incidental to such individual Case Record as part of a service provided by Requesting Party. The Requesting Party shall not make bulk distribution of the Court Records or reconfigure the Court Records for subsequent bulk distributions.

C. Policies for dissemination of Data. The Requesting Party shall not disseminate Court Records to the public through remote electronic access such as the Internet or other electronic method unless the Clerk first obtains approval from the Division under Trial Rule 77(K). In the event the Requesting Party plans to offer a service allowing others to review the Court Records and disseminate information in the Court Records to subscribers, customers, clients, or other third parties, a current copy of the Requesting Party's policies and information related to the dissemination shall be attached hereto as an Exhibit B. The Requesting Party is under an ongoing obligation to provide the Division with a copy of any updated Policy information within thirty (30) days of its modification.

6. Bulk Transfer to Third Parties. The Requesting Party is prohibited from making a bulk distribution of the data or the compiled information obtained through this agreement to another party.

7. Reporting Requirement. With respect to Court Records not maintained in the Odyssey data repository, within thirty (30) days after the Requesting Party receives the first or only distribution of Court Records, the Requesting Party shall file with the Division of State Court Administration the Distribution Receipt Form, Form TCM-AR9(F)-3. The Division of State Court Administration and the Indiana Courts and Clerks of Court: 1) Do not warrant that the information is accurate or complete; 2) Make no representations regarding the identity of any persons whose names appear in the information; and 3) Disclaim any liability for any damages resulting from the release or use of the information. 9. **Audits.** The Division may, at its discretion, perform audits to verify compliance with the terms and conditions of this Agreement and the appropriate use of the Court Records. The Requesting Party shall cooperate with the Division in such audit.

A. The Requesting Party agrees that the Division may include “control” or “salted” data as a portion of the Court Records as a means to ensure that any personally identifiable information is not used for commercial solicitation purposes or in an indiscriminate and reckless manner.

B. The Requesting Party agrees to provide the Division with access, at no charge, to any database created using the Court Records for the purpose of monitoring and auditing contract compliance.

C. The Requesting Party agrees to provide the Division with copies of the materials and information the Requesting Party provides its subscribers, customers, clients, or other third parties.

10. **Disclaimer of Warranties.** The Division, Courts, and Clerks of Court provide no warranties, express or implied and specifically disclaim without limitation any implied warranties of merchantability and fitness for a particular purpose, with respect to the Court Records or Data provided under this Agreement. 12. Indemnification. The Requesting Party shall defend, indemnify, and hold harmless the Division, Courts, and Clerks of Court, their respective employees and agents, and the State of Indiana from and against all claims, demands, suits, actions, judgments, damages, loss or risk of loss (including expenses, costs, and attorney fees) of any and every kind and by whomever and whenever alleged or asserted arising out of or related to any use, distribution or transfer made of the Court Records or Data by the Requesting Party, its successor or assignee, or any of its subscribers, customers, clients or any other parties.

Existing Sources (compiler or location)

CSI has created a custom export program for receipt of court and clerk information not excluded from public access per Administrative Rule 9(G) or (H). CSI has funded the development of the export module and maintains the export module as well.

Once installed, the export module is under control of the local courts and Clerk, making the local courts and Clerk the compiler of the data, which is located on the local court and Clerk CMS server.
